

Tools for the serious cook.

BOYAJIAN

For more than a quarter century, Boyajian Inc., has produced a unique line of fine infused olive oils, pure citrus oils, Asian oils, vinegars, extracts and natural flavorings. Influenced by his Armenian heritage and fondness for cooking, founder and CEO, John Boyajian, directs all recipe development and production from headquarters in Massachusetts. Today, the award-winning oils and flavorings are used by consumers and chefs worldwide.

Pure Citrus Oils and Natural Flavorings

Pure Citrus Oil is a unique product made by cold-pressing the rind of the citrus fruit. Because of its intensity (it takes 330 lemons to make a 5-ounce bottle!), very small amounts of citrus oil can be used in baking and cooking applications. Our Natural Flavorings are baker-quality and quite intense. A little will go a long way
