

Dakota Beef

As a leading member of the certified organic beef industry, Dakota Organic Beef has made it our mission to maintain sustainable stewardship for the cattle and the environment to meet the needs of today and generations to come.

Dakota Beef provides the purest, most flavorful organic beef around. Their cattle are raised on certified organic pastures in the heart of cattle country - the Midwest. They are vegetarian fed and finished on a diet of certified organic grains, giving Dakota Beef the natural marbling that customers have come to expect.
