

# Fire & Flavor

Fire & Flavor is the nation's leading supplier of grilling planks. This family owned business, started by Gena & Davis Knox in 2003, is focused on developing & promoting unique products that make Gourmet cooking simple.

Plank cooking is a centuries old, Native-American technique. Perfectly suited for today's food service... plank cooking provides robust flavor, tempting aroma, and moist even-heat cooking... plus planks can be placed directly onto a serving plate for impressive eye-catching presentation.
