

Founded in a small New Orleans neighborhood in 1949, *Gambino's Bakery* began as a family owned retail bakery. In it's infancy *Gambino's* began to make a name for itself, supplying New Orleanians with their beloved treats and confections. Ranging from fresh pies, cookies, pastries, and cakes, *Gambino's* gained much popularity and grew to open several other locations as well began a food service division. In that time *Gambino's* also became "World Famous" for two particular items, *Gambino's* one and only 6 layer **DOBERGE'** cake and a Mardi Gras celebration must have, the *Gambino's King Cake*.

In the 1960's *Gambino's* expanded it's product line and introduced a New Orleans favorite, Italian olive salad. Made with fresh vegetables and imported green olives all packed in oil, *Gambino's* Italian olive salad is perfect for the muffuletta, but also goes great on salads, pizzas, and pastas. As well *Gambino's* began stuffing these magnificent whole queen olives with a wide variety of flavors including fresh garlic, almond, real blue cheese and jalapeno to name a few, *Gambino's* remains a family owned and operated business and continues to prefer quality to quantity. *Gambino's* has remained true to their products and customers with recipes and practices passed down from generation to generation. Try one of *Gambino's* products today, it is sure to please even the most demanding of palates.
