

GREAT HILL BLUE

Located on the shores of Buzzard's Bay, fifty miles south of Boston, Great Hill Dairy in Marion, Massachusetts has been crafting an American classic blue cheese in its turn-of-the-century barn since 1997.

Great Hill Blue is an artisan, hand made cheese produced in the ancient tradition, using raw milk. The result is a rich, creamy, gourmet quality blue veined cheese.

Great Hill Blue has been recognized with numerous awards, including first place in the 1999 & 2008 American Cheese Society annual judging, a finalist in the 1999 Fancy Food Show and blue ribbon recipient in the 2001 World Cheese Championship.
