Fresh(Not Frozen) Red Abalone Steaks and Live Red Abalone
Now Available From SYSCO/ChefEx

Red abalone is a most sought after shellfish in the world. Originally abundant on the US West Coast, it is now available from abalone farms designed to replicate natural conditions. M5 has teamed up with The Abalone Farm to offer a limited supply of fresh abalone steaks(not frozen) and live abalone to SYSCO/ChefEx clients. Hand shucked steaks are trimmed, tenderized and vacuum packed. Live abalone are hand selected. A mild flavor, slightly sweet, but evocative of the sea and ready to cook. Processed under California Processed Food Registration(#6863). Clean abalone shells and instructions included. Orders must be placed by noon at least 2 business days prior to shipping.
