

# The MacKnight Smoke House

MacKnight's premium smoked salmon is produced from the world's best farm raised Atlantic Salmon. Drawn from the coldest of waters where salmon develops it's best flavor and texture, we bring you a consistent, delicately smoked salmon every time.

Each fillet is dry cured in small batches with a unique blend of salt and sugar, then smoked in the fine Scottish tradition to lock in the succulent flavor of the hardwood chips. Voted #1 by Food and Wine Magazine, it's easy to see why MacKnight is "The Connoisseur's Choice".

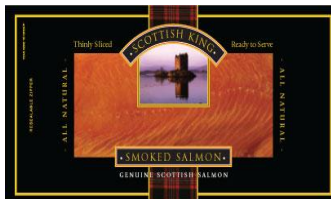

Our Smoked salmon is produced under the K of K Kosher supervision.
