

# Norpac Fisheries Export Hawaii

Norpac Fisheries is located on the island of Oahu and began business in 1987. We are the largest and one of the oldest fish companies in Hawaii.

Our value is extremely competitive, as we offer genuine products, freshly caught, properly handled, and delivered overnight via UPS, direct to your customer's doorstep.

Our combination of advanced cryovac packaging materials and modern transportation technology makes it possible to keep our promise to deliver the most fresh and delicious fish you have ever tasted from Hawaii. Norpac is located only 3 blocks from the auctioneer and 2.44 miles from Honolulu International Airport. This strategic location minimizes the supply chain, allowing us to add shelf life to our products. We are well known with chefs nationally and internationally.
