

Red Lake Nation Foods

Red Lake Nation Foods is wholly owned and operated by the Red Lake Band of Chippewa Indians. Located on the Red Lake Nation in beautiful northern Minnesota, Red Lake Nation Foods opened in 2005 offering just one product - the best wild rice in the country!

The Red Lake Band of Chippewa Indians grow and harvest the rice we sell. Red Lake Nation brand wild rice is nutritious and 100% all natural. It is high in fiber, low in fat and contains complex carbohydrates. It is high in quality protein and contains only 114 calories per half cup serving. Red Lake Nation wild rice (uncooked) keeps up to ten years when stored in an airtight container in a cool, dry location. Wild rice is gluten free and an excellent food value. One cup uncooked Red Lake Nation brand wild rice will yield @ 3-4 cups cooked wild rice which translates into a low cost per serving. For convenience wild rice can be pre-cooked, drained and refrigerated for up to 7 days or frozen for up to 6 months in an airtight container.

Red Lake Nation Foods are dedicated to providing unique specialty products that represent our cultural heritage for the benefit of the over 9600 members of the Red Lake Nation.

All wild rice products are available in 5 & 25# poly pails and 2/5# poly bags.
