

Established in 1987, **Takaokaya USA., Inc.** has been a leading purveyor of fine, savory & high quality sushi wraps in North America.

Takaokaya products are now available through Sysco ChefEx!

Takaokaya Nori

Traditional sushi wrap, **Nori** seaweed, is made during the winter season. Harvested in the ocean without any additive, **Nori** is produced in a rack drying process similar to paper making.

Takaokaya Soy Crepe

An unique line of new style sushi wraps, **Soy Crepe**, is made of egg and soy protein with a variety of colors and toppings. This is often used as an alternative wrapping material in sushi making, but it can also be used to make many other creative wrapped dishes!
