

# TERRAPIN RIDGE

Situated in the upper northwest region of Illinois, Terrapin Ridge is nestled between Freeport and Galena. The area is commonly known as “The Ridge” or “The Territory”. The terrain resembles a Turtle, with scaling ridges creating the effect of a turtles shell. Terrapin Ridge, the specialty foods brand of parent company Furst-Ness established in 1908, was introduced to the market place in 1997 by the great granddaughters of one of the founders of the company.

Here at Terrapin Ridge we have a flair for creating specialty mustards, sauces and dressings with wonderful flavor combinations. We strive to offer original, quality products from the finest ingredients available. Terrapin Ridge has been the recipient of many awards from the NASFT and the Napa Valley World Wide Mustard Competition.
