

# Valley Fig Growers

Established in 1959, Valley Fig Growers account for 50 percent of California's dried fig production.

Our food service product line includes whole, sliced and diced figs as well as fig paste (seeded and deseeded), soft paste, concentrate, powder, extruded fruit nuggets (assorted flavors), and fig balsamic vinegar. We offer custom co-packing, manufacturing and extrusion, private label and gift packs. Kosher, natural and certified organic figs are also available.
