

Z Specialty Food, LLC

Z Specialty Food, LLC is a family owned and operated business. In over thirty years, we have built a reputation on both superior product quality and exquisite packaging. We began in 1979 with a simple love for pure and wonderful honeys, bottling 180 pounds of pure Yellow Star Thistle - Northern California's finest. Ishai Zeldner, the founder, carefully warmed the honey, gently strained it through a fine screen and then proudly bottled the glistening product. We bring this same care to each of our outstanding products.

With this tiny beginning the seed of the **Gourmet Honey Collection** had been planted. The Collection has grown, now including over ten varietal honeys from across the United States. We are still able to marvel at the beauty and simplicity of nature's finest sweet.

Gourmet Butters & Spreads represents some of the finest spreadables available from our first, California Almond Butter, right up to the introduction of Honey Fruit Spreads and our Award Winning Honey Apricot Spread to the latest (unbelievably delicious) additions, Chocolate & Vanilla Nut Spread Crèmes.

All of our products are Kosher, Natural and Very Tasty!
