

Our mission is to arouse your senses with unusual, unexpected and delicious chocolate confections. We draw inspiration in everything, from sharing a fine wine with friends to discovering exotic spices at a foreign market. Venezuelan born Master Chef & Chocolatier Michael Antonorsi lives and breathes the creative culinary process. Combine that creativity with fresh, natural ingredients and classic European techniques, and you have our recipe for the ultimate chocolate experience.

We hope that you'll enjoy eating our chocolate as much as we enjoyed making it!
