

Clemens Food Group

At the Clemens Food Group, we aspire to “Do the Right Thing”. Located in Hatfield, Pennsylvania, CFG is a 5th generation family owned and operated Pork Processor that has been in business for 118 years. CFG continues to adhere to the strictest animal handling procedures recommended specifically to us through the input and guidance of several independent third parties; one being world-renown animal welfare expert Dr. Temple Grandin. Vertical coordination in our business enables us to offer farm to fork consistency in all our products

All Butcher Block Prime Pork products are produced using an old world process with the efficiency's of today's technology, creating a modern day Revolution in the Pork industry. The products are infused with 42% fresh loin trimmings giving all the steaks and roasts consistent marbling and great flavor. This modern day larding of the meat allows you better holding times, quicker cooking times and leaves your customers with a memorable eating experience. All product is shipped frozen to better protect the quality and flavor of each bite.
