

Liguria is an astonishing Italian Region where mountains touch the sea, little fishing villages retain their ancient beauty, and olive trees grow on stone made terraces. Rosmarino Farm is an old house dominating the Tigullio Gulf right in front of the famous Portofino Village.

Today, Rosmarino Farm collaborates with other Ligurian Farms and integrates their olives into its production. Our extra virgin oil, branded "Costa dei Rosmarini", is bottled in Imperia in small quantities at a time. Its superior quality is constantly controlled to assure the highest satisfaction possible.
