

FABRIQUE DELICES – ARTISANAL CHARCUTERIE

In 1985, Fabrique Délices was founded by a team of master French Charcutiers. Since USDA regulations prevent manufactures from importing fresh meat product, the food industry now turns to Fabrique Délices to supply them with an exciting range of specialty charcuterie items made in the US but respectful of French recipes and traditions.

Fabrique Délices is headquartered in Hayward, California distributed throughout the United-States, Canada, Puerto Rico, the Virgin Islands, Central America, Indonesia and Asia.

Fabrique Délices' NASFT product award winning pâtés have been served at the White House, during the 1996 and 2002 Olympics Games, on board of Air France Concord and to his Holiness John-Paul II: Such references!
