

Seafood Report

Seafood- The Chilean salmon industry has been severely challenged by the Infectious Salmon Anemia disease and poor world economies. Chile is a major salmon exporter to the US. Reports are that Chile's farmed salmon production could be down 30% in 2009 with only a modest recovery in 2010. Thus, salmon prices may remain relatively expensive. Roughly 76% of the Newfoundland snow crab quota has been landed.

	<u>Market Trend</u>	<u>Supplies</u>	<u>Price vs. Last Year</u>
Salmon, Whole (10-12 lb)	Steady	Good	Higher
