

Murray's Cheese, founded in 1940, is New York's oldest and most respected cheese purveyor. Now you can offer the finest hand-selected cheeses of Europe. Murray's ships Fed Ex Overnight Monday – Thursday.

Murray's is the first cheese retailer to partner with European affineurs (cheese-agers) who hand-select and age a wide array of cheeses, many of which are unavailable elsewhere in the United States. Rare, elusive, seasonal cheeses are mainstays at Murray's. Our elite restaurant clients include, David Bouley's Bouley, Thomas Keller's French Laundry, Jean Georges Vongerichten's Jean Georges, and Daniel Boulud's Restaurant Daniel. Zagat deems us "everything a cheese shop should be" in its Marketplace Guide, and the esteemed chef Daniel Boulud of Restaurant Daniel writes, "Thousand thanks for the great cheese that gave us 4 stars! Bravo." We're delighted with our unsurpassed selection of cheeses, and know that you will be too!
