

## *Coombs Family Farms*

For seven generations, the *Coombs Family* has produced 100% pure, great tasting maple syrup by taking special care of their ancient sugar maple trees. As farmers, the Coombs family have always understood there were no short cuts to producing pure maple syrup. As Grandfather Coombs said, “do well by the forest and it will do well by you.” Today, Coombs Family Farms continue to operate with these same environmental standards on the family farm. Coombs Family Farms supports other small independent maple sugar farmers who share our commitment to quality, environmental stewardship, and sustainable forestry management.
