

Critelli California Olive Oil Co.

The Critelli Olive Oil Company in Richmond, California is located in close proximity to the finest olive growing regions of California, including our own Estate at Pleasanton Ridge. Planted over 100 years ago by Italian immigrants, this old growth orchard yields an exceptional organic extra virgin olive oil from its Mission and Picholine olives. Rescued and restored by our founder Nicola Critelli in 1994, these venerable trees represent the history, tradition and excellence that is the foundation for every drop of olive oil that we make.

In just a few years, Critelli has gained a well-deserved reputation for making distinctive and flavorful oils that have become the professionals' choice. Owing to Nicola's formidable culinary skills borne of his days as a chef, each of Critelli's superlative oils is crafted with the knowledge that it will be used by other professional chefs whose discriminating tastes have sampled oils from around the world. To that end, Critelli Olive Oil Company is proud to have its oils used by many of the finest restaurants in the country.
