Nielsen-Massey Vanillas

It starts with a family dedicated to pure vanilla products since 1907. Add the finest vanilla beans available – hand picked for quality and the process has begun.

Next, an exclusive Nielsen-Massey cold extraction process slowly and gently distills the delicate and distinctive flavor from the vanilla beans – taking up to five weeks to produce a single batch of vanilla. The result is the finest pure vanilla in the world – perfect for the discriminating chef.

Orange Blossom Water

This refreshingly aromatic water is made from a distillate of the Seville bitter orange from Spain and the Middle East. Used in Persian, Arabic, Indian and Turkish dishes, Orange Blossom Water brings the sweet perfume of the orange grove to a variety of dishes. It is a delicious flavoring for custards and puddings, cakes and cookies, candies and other confections. It complements vanilla, almond, cream, lemon and other citrus flavors. Orange Blossom Water can also be a calming restorative when spritzed into the air.

Pure Peppermint Extract

Peppermint has been cultivated since Grecian times, and was brought to the new World early in its European settlement. Pure Peppermint Extract is made from the finest mint oils according to the strictest quality standards. Use it to flavor teas, to enhance fruit salads or to complement chocolate in cakes, ice cream and icings. Peppermint is the signature flavoring of holiday candy canes. It goes well with vanilla, and is a surprising accompaniment to savory dishes such as lamb, pork and poultry.

Rose Water

This sweet scented water is a steam distillate made from the purest rose petals. Its delicate floral notes are perfect additions to Middle Eastern, Indian and Greek foods such as baklava or rice puddings and are wonderful accents to delicate French pastry glazes and creams. Rose Water can flavor sugars and cookies for tea time and can be served as a beverage in sweetened hot water or milk. Rose Water has an affinity for vanilla, cream, white chocolate, rice and mild cheeses such as Brie or cream cheese.
