# PEPPADEW®

## *Not Just the Fruit Anymore...*

Discovered by a farmer in South Africa, the Peppadew® bush stood head high, laden with small red fruit with a brilliant red firm flesh. Realizing its distinctive flavor, the process was perfected to transform the spicy fruit into a delicious combination of sweet with a hint of pepper bite. The Peppadew® sweet yet spicy pepper is being recognized by chefs across the world as a versatile culinary accompaniment and as the new flavor profile.
