

VineyardFresh (VF) is based in Bath Ohio and is growing at a rapid pace. Headed by founding partner Dave Hall and managed by partner, Gary Gottfried, VineyardFresh now supplies hundreds of retail and restaurant accounts. VineyardFresh strives to provide an ever increasing value proposition for their direct customers and the consumer. VF wants to help customers profitably sell and consumers enjoy more wine.

VineyardFresh Wine Preserver saves money by eliminating wine loss, while increasing revenues. In states that allow recorking, use VineyardFresh as a tableside service, along with the VF Winebags, to sell more bottles. Customers can sell whatever wine by the glass desired. VineyardFresh saves open wine by creating a 100% argon barrier that prevents oxidation. Manufactured in Ohio, VineyardFresh provides a complete support program to help market your wine program and improve your bottom line. For more information visit us at www.vineyardfresh.com
