

Z Specialty Food is a family owned and operated gourmet foods business. Because of this, we are able to give attention to each individual product and its package. Over the years, we have become known for both our fine quality and our exquisite packaging.

Ishai Zeldner, the founder, is a fourth generation food merchant. He worked in a beekeeping operation in Israel while living on Kibbutz. Upon his return he enrolled in apiculture at the University of California, Davis. Put it all together and the rest is the early history of Z Specialty Food, LLC.
