

Sinless Cocktails

Sinless Cocktails was started by a husband and wife team in Atlanta, GA in 2009. Sick of drinking their calories, Catherine and Zach Hawkins set out to come up with All Natural and Sugar Free cocktail mixes that were made with only the best and freshest ingredients.

All of their mixes, including Sinless Margarita mix, Sinless Strawberry Margarita mix and Sinless Sour mix, are made with real lemon and lime juice and are sweetened naturally with Stevia. They use no preservatives and all have only 5 calories per serving! All of the Sinless mixes are produced “in-house” by Catherine herself at the Sinless factory in Atlanta, GA.
