

# The Sticky Toffee Pudding Company

The Sticky Toffee Pudding Company was founded in Austin, Texas by Tracy Claros in 2004- an English baker using pudding recipes from the Lake District of Northern England. These pudding-cakes are made in small batches using all-natural high quality ingredients including fresh dates, butter, cream, Belgian chocolate.

The Sticky Toffee, Sticky Ginger and Warm Chocolate are individual moist cakes and accompanying sauce designed to be served warm. The containers can be warmed in a microwave, oven or steamer and are turned out on to the serving plate. The STP Co has earned 3 national awards including 2 Gold's for Outstanding Baked Good and Silver for Outstanding Food Service Product, 2011 from the National Association for the Specialty Food Trade.
