

Seafood

The shrimp markets continue to track close to 2017 levels due in part to solid imports. During December, the U.S. imported 13.4% more shrimp than the previous year despite trade with Thailand remaining a disappointment. Various countries have made up for the downfall in Thai production which should keep U.S. shrimp imports strong into the spring.

Description	Market Trend	Supplies	Price vs. Last Year
Shrimp (16/20 frz)	Steady	Good	Higher
Shrimp (61/70 frz)	Steady	Good	Lower
